Stevensons @ Manase • Samoa

There's been a delay in the supply of materials for the repair of the resorts pool and as a result the swimming pool will now be closed 04-24th March 2019 (Not 04-24 Feb as previously advised). Whilst there'll be onsite work during the time from Monday to Friday, 9 am - 5 pm, Stevensons envisage that after the existing tiles are removed which should take 3-4 days that there'll be minimal noise & impact. Over the time there is a 30% off special.

Fantastic white sand beach just perfect for cooling off !!
