Welcome To Our Villas

Seven luxuriously spacious two-bedroom villas spread across two absolute beachfront locations with each villa having its own private courtyard swimming pool with cascading waterfall and immediate access to the white sandy lagoon. The five beachfront villas have the addition of hot spa pools for those cooler stargazing evenings.

Each villa had its own fully equipped kitchen or can choose to have a BBQ dinner on-site prepared by your very own chef, or head to one of the many excellent restaurants within a 5-10 minute stroll along the beach- the choice is yours !

For the ultimate in relaxation enjoy a range of massage treatments offered by Rumours multi-award winning Waterfall Spa. Massages can be even more enjoyable when shared, so relax and enjoy time together in the candlelit therapy room for two and finish off with a glass of bubbly or juice.
