### WEDDINGS- Documentation & Formalities

Marriages in Samoa are legally recognised worldwide

To be married you will require:

1. Completed Notice of Intention to Marry Document
2. Photocopy of your Passports
3. Photocopy of Birth Certificates
4. If applicable ; Decree Absolute ( Divorce ) documentation
5. If applicable ; Death certificate of past spouse

Our wedding coordinator will send you the appropriate documentation to complete. Documentation must be in English and clear to read. These documents must be submitted to Aga Reef Resort 1 month prior to your wedding day. All costs relating to lodging your documentation are already included in our wedding packages. Some foreign countries, not Samoa, may require an "Apostille" stamped on their marriage certificates; this can be arranged only upon request for an additional fee.

Wedding couples are required to meet with the celebrant at least 3 days before the ceremony. Many if not most of the Christian denominations are well represented in Samoa. You can have a Religious Celebrant (Methodist) or Non-Religious Celebrant perform your special day. Catholic weddings are possible but special permission is needed from the Cardinal's office in Apia. There will need to be correspondence from your local priest, and if previously married, Catholic weddings are not permitted.
