

HOLIDAY HOMES

With its warm tropical year round climate, gently lapping lagoons, friendly locals and laidback atmosphere - not to mention it's plethora of adventurous activities, it's easy to see why a stay on Rarotonga will be an enjoyable and memorable experience.

A great way to experience all that Rarotonga has to offer is to stay in one of the many Holiday Homes dotted around the island. These homes offer a great value option for groups, families or couples wanting to enjoy Rarotonga in their own comfort and space and at their very own pace.

Only 32 kilometres around, Rarotonga is an extremely easy island to explore and discover whether on a scooter, car or on the local bus. Stop at your choice of idyllic beaches, or watch the sunset over the reef. Rarotonga is almost completely encircled by a lagoon, so water-based activities are on offer everywhere. On land join an island tour or tackle the cross-island trek. Don't miss the Saturday market in Avarua where you'll find pareus (sarongs), handmade quilts, tropical fruits and black pearls or you may prefer to just laze around the holiday home and dip into your holiday reading.

In the evenings eat out in one of the many good restaurants on the island or eat in – the choice is yours! And for a vibrant local culture experience head out to an island feast & dance night at the Islander Hotel on Tuesdays or Saturdays for great local cuisine & dynamic cultural show & fire dance for only NZD49 per adult or NZD20 per child (5-12yrs).

Natura Holiday Homes provide extra services to you with home cleaning and linen changes every three days and provide round the clock maintenance support in case of malfunctions.
