Samoa Airways is set to operate flights to Savaii by the end of Mar 2020. It's been several years since there was an option to fly to Savaii. The flight time is 12 minutes (against the current 1¼ hour ferry service) so this should be a big boast for travel to Stevensons. The domestic airport, Maota is situated near Salelologa at the east end of Savaii, about a 40 minute vehicle transfer from Stevensons @ Manase

All stays at Stevensons include daily breakfast and complimentary use of kayaks & paddleboards
