Dining Guide

Crystal Blue Lagoon Villas have fully-equipped kitchens with the latest Bosch appliances, espresso coffee machines plus gourmet Weber Barbeques for those who have a passion to cook up a storm.

However, if you love good food but prefer to relax away from the kitchen there are plenty of dining options within walking distance to our Villas. And for those who just want to kick-back in their villa many local restaurants provide an excellent delivery service.

Markets

There are two main food markets in Rarotonga.

Te Punanga Nui Market is open every Saturday morning from 6am until midday. Here you can mingle with the locals tasting home cooked fresh dishes, as well as a range of locally grown tropical produce. You can also enjoy crafts music and entertainment.

The Muri Night Food Market is open 4 nights a week (Tuesday / Wednesday / Thursday and Sunday) , and proving to be very popular. Locals sell a mix of pre-prepared dishes and freshly cooked local and European foods, with a good variety available. Eat under the stars while being entertained by the singing and ukeles or ask for a takeaway and eat later at home.
